The Rules of the Game

To use the material

The copying of material, either with modifications or adaptations, and its subsequent distribution, is permitted with three conditions:

- λ that it is not used for commercial purposes
- λ that the source of the material is clearly indicated
- λ and that its use is **recorded** in such a way that we can provide documentation to the sponsors of the project.

To contribute to the data bank

If you wish to contribute material to BIODIDAC please contact Antoine Marin
